Independent Artist and Animator

2009-present
complete short films, and pitch

Experience

Freelance Artist/Animator September
Empowers clients to release amazing apps, complete short films, and pitch their ideas to Networks like Nickelodeon.

Animator at GPA Learn

Supercharged GPA Learn's award-winning Lovemath™ application with a unique artistic style. Created and animated characters that brought attention and accolades to the brand. As a part of a small team, directed other artists in an efficient and cost-effective (yet fun!) manner.

October 2013 - August 2015

Animator at Bento Box ATL

Mastered cost-saving animation techniques while working as an in-between-er and revisions animator on Season 1 of "The Awesomes".

April 2013 - September 2013

Intern at Nickelodeon Animation

Learned from Nickelodeon's world class team of artists, directors, and production managers. Categorized and archived artwork from Nickelodeon's past shows.

January 2012 - March 2012

Education

Savannah College of Art and Design
Bachelor of Fine Arts | Animation

November 2012
Summa Cum Laude

Software Proficiencies

Toon Boom:

Harmony, Storyboard Pro

Adobe:

Photoshop, After Effects, Audition, Illustrator, Premiere

Autodesk:

Maya, Sketchbook Pro

And many more!
